

House Rocket Competition

We start the year with the first House Competition to design and make a rocket at home. Each child can make a rocket in their House colours.

Red – Mars

Orange – Mercury

Yellow – Saturn

Green – Jupiter

Blue – Neptune

Purple – Venus

Each rocket returned earns **10** House Points for your child's House and one from each House will be selected by the new House Captains later in the term as the House rocket for the House Board in the Main Hall.

The Competition rules are:

- Must be made by you *with some help* from your Parent.
- Try to use as many recyclable materials as possible
- Must be main House Colour ie Blue-Neptune, Purple-Venus, Red-Mars, Yellow-Saturn etc
- Put your name on it so we can award **10 House points to your House.**
- **HAVE FUN DOING IT!**

Once complete bring your rockets to your classroom.

Good Luck
