

# EYFS (Reception) , Term 1– Knowledge Organiser – *History—Me, Myself and I*

## Subject Specific Vocabulary

word	definition
Family	a group of one or more parents and their children living together as a unit.
Baby	a very young child.
Grow	increasing in size and changing physically.

## Sticky Knowledge

Not all families are the same. We have different experiences that others might not have had such as cultural and religious celebrations.

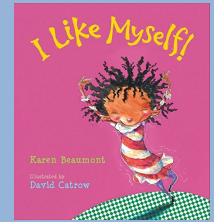

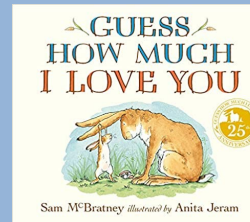

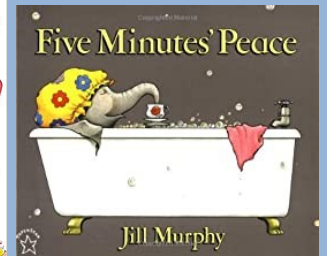

We all used to be babies but we grow up.

We can now do more than we could when we were babies.

## Interesting Books

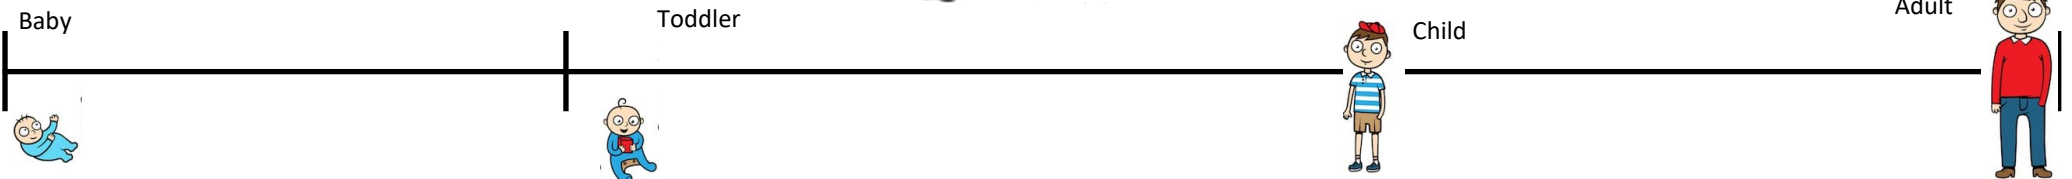

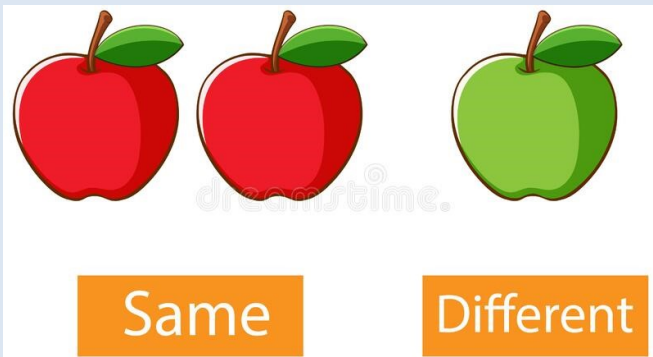

## Research at home

Find a picture from when you and your family members were babies.

How have you changed?  
What can you do now that you couldn't do before?

# EYFS (Reception), Term 2 – Knowledge Organiser – *History—Once upon a time*

## Subject Specific Vocabulary

## Sticky Knowledge

We can use stories to help us understand the past.

In the past toys were made of wood and fabric. They were made by hand.

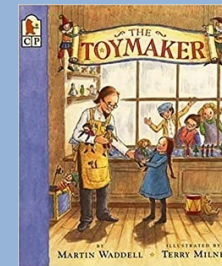

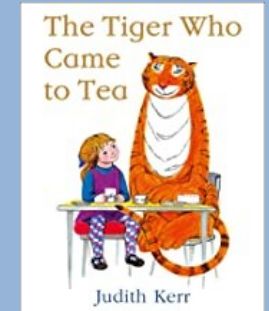

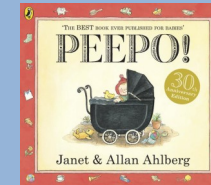

In the past, babies were washed in a tin bath.

In the past, most people got their milk from the milk man.

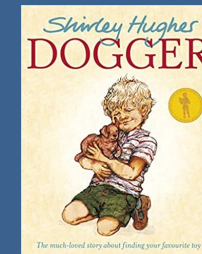

## Interesting Books

## Research at home

Read a book that your mum or dad enjoyed when they were little.

How different is it to books today?

# EYFS (Reception), Term 3 – Knowledge Organiser – *History—People who help us*

## Subject Specific Vocabulary

word	definition
Past	Time before now
Change	Make something or someone different
Old	Something from the past
New	Something recent

## Sticky Knowledge

Lots of people help us today including teachers, nurses and the police.

The police cars look different today than in the past.

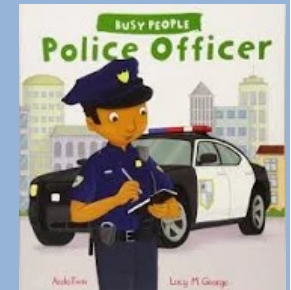

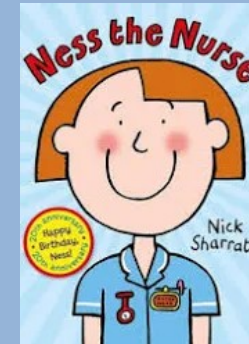

A famous nurse in the past was Florence Nightingale.

She was alive from 12 May 1820 – 13 August 1910. She is most famous for making hospitals a cleaner and safer place to be.

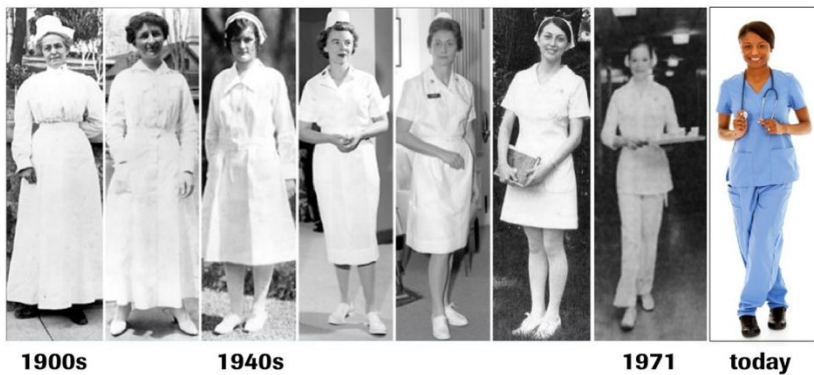

## Interesting Books

## Research at home

Can you find out how the fire truck has changed over time?

1900s      1940s      1971      today

A nurses uniform looks different now than in the past.
