September 2023

Dear Parents/Carers

### Chromebooks for Year 1 Children

Some good news for the start of term! We have been able to purchase Chromebooks for children in Year 1 Classes. The children will have the Chromebook until they leave the School. This will mean they will be able to access home learning activities and in the event of another need for a Lockdown of schools, have access to distance and blended learning activities.

The School is excited to offer this opportunity to all our Year 1 children, as it will enhance the learning opportunities and sharing information from home to school. Each Chromebook will log straight on to Google Classrooms and have Bristol City Council security certificates in place. It is important to remember that with home internet providers, the same firewall protections may not be present. We hope to roll out the same offer each academic year.

To enable a loan we need to issue you with a loan agreement for the Chromebook and charger. We wish to provide you with the terms of the agreement in advance to allow you time to consider whether this is appropriate for you. Please note that the Chromebooks **will** require an internet connection, if you do not have an internet connection at home we will endeavour to provide you with alternative work. Please advise your Class Teacher if you do NOT have internet connection or if you do NOT require a loaned Chromebook.

The Chromebook and its charger must be returned to school when the children leave the school. More details on what schoolwork will be issued and what the expectations are will be issued separately.

The below link will now take you to the formal agreement between you as a Parent/Carer and the school. Before you receive the Chromebook and charger, you need to be aware of the terms and conditions of the loan and sign to accept accordingly. Please click on the link below, to access the formal agreement terms and conditions;

[TEMPORARY LOAN OF CHROMEBOOK PARENT/CARER AGREEMENT](#)

We ask that you read the agreement and if in agreement with the terms and conditions, complete the online form and submit by **Friday 29<sup>th</sup> September 2023**. We will then contact you when the Chromebook is ready for collection.

Yours sincerely

I De N'Yeurt  
Headmaster
