Dear Parent/Carer

As the person/s who best know/s your child we would like to ask you to complete a one-page profile as your child begins their school life with us at Summerhill Infant School.

A one-page profile is a simple summary of what is important to a child or young person. It captures all the important information about a person on a single sheet of paper.

The one-page profile includes details of what makes them happy, what can help them with their learning and how they can best be supported. They help those around a person to understand them better and know how best to support them. The child or young person should be involved as much as possible in the development of the one-page profile.

If you would like to provide a hand written copy, please email the main school office via Summerhill.i@bristol-schools.uk, a printed copy of the One Page Profile will be provided for you.

Please return your completed One Page Profile either via email; Summerhill.i@bristol-schools.uk, the main School Office or your child's Class Teacher.

Kind Regards

Mrs J Edwards
SENCO
