

Dear Parents and Carers,

We are thinking about special things that we have at home. We are learning how to present them, and also ask and answer questions about them.

Your child can bring in 1 small item on Friday (6th September) to talk about. After that, they will be able to bring in 1 special item to share when they are Star of the Week during the year.

Thank you for your support,

From the Year One team.
