underline	Text with a line underneath

E-Safety

We will learn about keeping our information safe.

Private Information is…

- Name
- Address
- Telephone
- School
- Email address
- Password

Digital Writing

Word processors are applications that allow us to create text on computers.

Keyboards allow us to press keys to add text.

Capital letters can be typed using the Caps lock button.

Icons from the toolbar can be chosen to alter how the text looks.

Font size, colour and style can be changed by selecting the text and selecting the relevant icon.

Interesting Website
