

✿ St George Park Play Area Equipment Fundraiser – Join Our Fun Walk! ✿

Landscaping and Phase one's installation of equipment at St George Park play area is complete—now it's time to keep building! So, we were delighted to hear from a local child who wanted to help raise money by doing a sponsored walk. Other children are keen to support too, so we're inviting you to get involved and help fund exciting new equipment for older children, such as a five-way swing set and a larger climbing frame.

👉 Fundraising Fun Walk – A Great Day Out for Families!

🕒 When: 11:00 AM, Friday, June 14th

📍 Location: St George Park. (Meeting Point: Back entrance of the Community Centre)

🗨️ How to take part:

We're inviting all local primary school children and their families to join us for a fun and active fundraising walk around the park! Get sponsored by friends and family for each lap you complete—or make it even more fun by doing silly walks, dancing, skipping, or dressing up!

💰 All funds raised will go directly to our crowdfunder, helping us enhance the park for older children.

You can download your sponsorship form and find more information at: <https://playinsgp.co.uk>

👥 We're also looking for volunteers!

Can you help on the day? We'd love extra hands to:

- * Act as friendly stewards along the walk route
- * Bake or donate cakes
- * Help sell refreshments at our cake stall

If you're able to lend a hand, please get in touch via playinsgp@gmail.com our website or social media. Every bit of help makes a big difference!

Let's make it a day to remember—full of laughter, movement, and community spirit. We can't wait to see you there! 🌟
