

FRIENDS OF SUMMERHILL INFANTS (FOSI)

AUTUMN 2025

WHAT IS THE FOSI?

The Friends of Summerhill Infant School (known as the FOSI) is the parent-teacher association for Summerhill Infant School.

FOSI organise activities that raise money to enrich the school's curriculum and environment, support pupils, parents, and the wider community and as such bringing people together.

Winter Fair 2025 !

4th December 3:15 - 4:40

Reception playground

Past / future goals

The FOSI and the parents and carers of Summerhill have helped raise lots over the past few years. FOSI money has paid for Christmas trees, parties, the leavers ball, the trailblazer, planters, playground redevelopment and Christmas presents.

We are now aiming to raise enough money to cover costs for planters for the allotment and spruce up the corridor history and geography displays.

We need you !

Do you want to join the FOSI or simply
Volunteer at the next fair?

Get in touch and we can tell you what we do and how much of your time is involved (it's not as much as you may think) . We plan fun events and help to raise money to enhance our children's school experience.
