Monday 29<sup>th</sup> June 2026

Dear Parents/Carers,

### Venezuelan Earthquake Appeal on behalf of UNICEF

The earthquakes in Venezuela have had a devastating effect on the lives of the families and children who live in the region.

Currently 1,450 people have lost their lives with this number expected to rise as tens of thousands of people are still missing.

Our School would like to fundraise for UNICEF

- An estimated 3.9 million children live in the areas affected by the powerful 7.5 and 7.2 magnitude earthquakes that struck Venezuela on 24 June, putting thousands of children and families at risk.

On **Friday 3<sup>rd</sup> July** we are asking you to dress the children in the colours of the national flag of Venezuela and give a small donation to UNICEF.
