Dear Parents/Carers

Following training in Behaviour Management we use a positive Reward Chart for specific learning behaviours we feel and the children agree, will help all our children achieve to the best of their potential.

Each child will have their own chart and the teaching Staff will reward the children with special House counters and record with ticks on their charts when they have demonstrated Silver, Gold or Platinum behaviours. Our expectation is that the vast majority of children should demonstrate Bronze behaviours all the time and will rise to the challenges we give them on a daily basis to help them shine with success. Children who achieve Platinum behaviours will be awarded a Platinum Card to take home and share with their families.

I have attached a copy of the chart for you to keep at home and discuss with your child.

Yours sincerely

I De N'Yeurt (Mr)
Headmaster
