Art

Fun fact?

I got a Grade 8 in Piano

Lele Nairne

Lele Nairne is a superstar in the world of judo! Growing up in the seaside town of Weston-super-Mare, Lele started judo because her parents wanted her to try a martial art—little did they know she would become one of the best! She now trains in Bristol with her long-time coach, Peter Douglas.

Lele has competed all over the world, winning a silver medal at the U23 European Championships, placing 5th at the Commonwealth Games, and even becoming a Paris 2024 Olympian! One of her proudest moments was winning a European Championships medal, but it hasn't always been easy—injuries have been tough, but she always bounces back stronger.

Some of Lele's achievements include:

- ★ U23 European Silver
- ★ Commonwealth Games 5th place
- ★ 2024 Paris Olympics
- ★ World Masters 7th place
- ★ Oceania Open World Cup Gold
