Schedule 10 of the Equality Act 2010 places a duty on Local Authorities / bodies responsible for schools to plan to increase the accessibility of their schools.

This Inclusion Access plan focuses on:

- Increasing the extent to which disabled pupils can participate in the school curriculum;
- Improving the physical environment of schools to increase the extent to which disabled pupils can take advantage of education and associated opportunities in schools;
- Improving the delivery to disabled pupils / parents of written information provided to pupils / parents who are not disabled.

### **Definition of Disability**

'You are disabled under the Equality Act 2010 if you have a physical or mental impairment which has a substantial and long term negative effect on your ability to carry out normal day to day activities'.

Specified medical conditions: HIV, multiple sclerosis and cancer automatically meet the disability definition from the day of diagnosis.
