Friday 30<sup>th</sup> January 2026

Dear Parents and Carers,

We are pleased to let you know that our school will be taking part in the NSPCC Numbers Day on Friday 6th February 2026.

Number Day is a fun, maths-themed event that helps children explore numbers in creative ways while supporting the important work of the NSPCC. Throughout the day, pupils will be enjoying a range of number-based activities as we promote a love of maths across the school.

To help mark the occasion, we invite children to come to school dressed with a number theme in mind. This could include:

- Clothing with numbers on
- Stripes or repeating patterns
- Shapes or geometric designs
- Anything creative that represents numbers or maths

Please note that there will be no donation for this event, as our main focus is celebrating maths and enjoying the day together.

We look forward to seeing all the imaginative outfits and sharing a fun-filled day of learning with the children.

Thank you for your continued support.

Kind regards,

Mr Marles  
Assistant Headteacher
