Dear Parents/Carers,

All schools have received a joint statement from Bristol City Council, South Gloucestershire Council and Avon & Somerset Police Constabulary about the national social media trend of schools being put into Red and Blue Lists.

While this not a primary school issue we are aware our school community may have children of secondary school age and wanted to share the important messaging below:

*We are aware of posts circulating on social media relating to a national online trend that appears to encourage violence between pupils. Some of these posts refer to schools in the Bristol and South Gloucestershire area. We recognise that this will be worrying for some families, so we want to reassure you that we are closely monitoring the situation and working with our local partners.*

***Avon and Somerset Police have confirmed that, at this time, there is no intelligence to suggest that these posts relate to any real or planned incidents.***

To help keep your child safe, parents and carers may wish to:

- Have open, non-judgemental conversations with your child about their online activity and what they may be seeing or hearing
- Make it clear that any trend promoting division, confrontation, or violence is unsafe and unacceptable
- Explain that simply attending or observing organised gatherings can still put them in danger
- Encourage them to speak to you, a teacher, or another trusted adult if they feel pressured to take part

Families are urged not to repost or circulate related content, as this can unintentionally amplify the situation.

Further advice and information on anonymously reporting concerns is available at [Fearless.org](http://Fearless.org)
